aristocracy fell from the right path into a meeting house and eloped with the preacher But our rulers care little for our morals Au commencement the rich manufacturers were very civil and gave us some most enormous dinners Their daughters pretty girls enough we found tolerable as women must always be even under the most distressing circumstances but we had nothing to talk of to them It was so confounding to try conversation with girls who had not a single subject in common with you who looked on sporting as loss of time and to whom all one s allusions illustrations and even good stories were an unknown tongue Their brothers were very awful as Sammy Spectre says and when we asked the fellows to mess they got so brutally drunk and talked such stupid slang we were thoroughly disgusted so when the first terror of burnt mills and broken windows was passed and the respectable cotton spinners taking time to breathe collected their scattered faculties and remembered their dislike to the military we were most ready to dispense with their society and our communications were soon almost totally cut off Such was our position towards the beginning of September when one morning as I was forgetting my misfortunes in Alison s Account of the Vendean War which in all probability I should have never read but for our unlucky change of quarters Tom Ashley broke into my room exclaiming Keep your books for a dernier ressort my dear fellow Come along and get your tickets For what said I peevishly for I am capable of acknowledging an author s magic sometimes No humbug You do not mean to say you have not read the placards announcing the Festival in the New Music Hall Grisi Mario and all the rest of them A grand mass in G and something still grander in Z No I know nothing about it Well know it now There are to be three days hard work Sacred and scientific in the morning profane and light in the evening to wind up with a fancy and full dress ball on Thursday Well it is something to do so I am vos ordres mon cher said I taking my hat To be continue in this ebook      **The Works of Charles Dickens** Charles Dickens,1865      The Torch Felix Fax (pseud.),1837

that John Harmon isn't dead after all. Instead he's posing as Mr. Boffin's secretary Mr. Rokesmith so he can judge whether Bella Wilfer would make a worthy wife or if she's interested only in money. Eventually Bella proves herself by sacrificing her position with the Boffins in order to defend Mr. Rokesmith.
