Early Modern Japanese Literature Haruo Shirane, 2008 This abridged edition of Haruo Shirane's popular anthology *Early Modern Japanese Literature* retains the essential texts that have made the original volume such a valuable resource. The book introduces English speaking readers to prose fiction genres including dangibon kibyoshi satiric picture books sharebon books of wit and fashion yomihon kokkeibon books of humor gokan bound books and ninjobon books of romance and sentiment. It also features poetic genres such as waka haiku senryu and kyoka and plays ranging from Chikamatsu's puppet plays to nineteenth century kabuki. Readers will continue to benefit from the anthology's selection of significant essays treatises literary criticism folk stories and other noncanonical works as well as the numerous prints that accompanied these works. They will also find Shirane's introductions and critical commentary which guide the reader through the allusive and often elliptical nature of these incredible selections.

A Foreigner's Cinematic Dream of Japan Iris Haukamp, 2020-11-26 In early 1936 a German film team arrived in Japan to participate in a film coproduction intended to show the real Japan to the world and to launch Japanese films into international markets. The two directors, one Japanese and the other German, clashed over the authenticity of the represented Japan and eventually directed two versions: *The Samurai's Daughter* and *New Earth*, based on a common script. The resulting films hold a firm place in film history as an exercise in or reaction against politically motivated propaganda, respectively. *A Foreigner's Cinematic Dream of Japan* contests the resulting oversimplification into nationalised and politicised dichotomies. Drawing on a wide range of Japanese and German original sources as well as a comparative analysis of the German Japanese version and the elusive Japanese English version, Iris Haukamp reveals the complexities of this international co-production. This exclusive research sheds light not only on the films themselves but also on the timeframe of its production with both countries at the brink of war.

Black Belt, 1965-11 The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world, including techniques and strategies. In addition, *Black Belt* produces and markets over 75 martial arts oriented books and videos, including many about the works of Bruce Lee, the best known martial arts figure in the world.

Pacific Pioneers John E. Van Sant, 2019-06-30 Shipwrecked sailors, samurai seeking a material and sometimes spiritual education, and laborers seeking to better their economic situation: these early Japanese travelers to the West occupy a little known corner of Asian American studies. *Pacific Pioneers* profiles the first Japanese who resided in the United States or the Kingdom of Hawaii for a substantial period of time and the Westerners who influenced their experiences. Although Japanese immigrants did not start arriving in substantial numbers in the West until after 1880, in the previous thirty years a handful of key encounters helped shape relations between Japan and the United States. John E. Van Sant explores the motivations and accomplishments of these resourceful, sometimes visionary individuals who made important inroads into a culture quite different from their own and paved the way for the Issei and

Nisei Pacific Pioneers presents detailed biographical sketches of Japanese such as Joseph Heco Nijima Jo and the converts to the Brotherhood of the New Life and introduces the American benefactors such as William Griffis David Murray and Thomas Lake Harris who built relationships with their foreign visitors Van Sant also examines the uneasy relations between Japanese laborers and sugar cane plantation magnates in Hawaii during this period and the shortlived Wakamatsu colony of Japanese tea and silk producers in California A valuable addition to the literature Pacific Pioneers brings to life a cast of colorful long forgotten characters while forging a critical link between Asian and Asian American studies *Finding the Force of the Star Wars Franchise* Matthew Kapell, John Shelton Lawrence, 2006 Textbook
