each film's use of common mythological motifs such as death and rebirth its case study also unveils more covert cultural signifiers and folktale motifs including jizo a savior of sentient beings and kori bewitching foxes and raccoon dogs hidden in the Japanese filmic text **Film Directors** Michael Singer,2002 Iris Kenji Iwamoto,1993 **Himiko: Warrior** CB Conwy,2011-10-26 When the aliens arrived on Earth it turned out that Plato was right You really can find your other half your soulmate and Matt found his Now he's got an unbreakable mental bond to his mate and some intriguing telekinetic abilities to explore Full of excitement Matt returns to his old life but he's completely unprepared for the anger and rejection he encounters because of his bond with Pietr Shunned and assaulted Matt realizes the hard way that you can never go back Especially not when you're bonded with the enemy Giving up isn't an option though Even though Matt's pretty sure that Pietr's the most annoying alien in history he's also sure that his mate is more important to him than anything else But Matt's mental strength is increasing and Pietr can no longer hide the one secret he's been desperate to keep Matt's world falls apart and he's not sure if he's ever going to be able to put it back together He might not have a choice The hostility between humans and Himika is increasing and Matt is forced to face some unwelcome truths about his own nature in order to ensure not only his own survival but that of his fellow human beings as well Himiko Warrior is the sequel to Himiko Bonding
