Where are the spanish speakers?

Text Box

II. Repaso general / General Review

A. Geography of the Spanish-Speaking World

Important! ← Text Comments

Spanish is spoken in Europe, North America, Central America, the Caribbean, South America, and Africa. The countries where Spanish is spoken as an official language within each of these regions are as follows.

Highlight

- Europe: Spain.
- North America: Mexico. Underline
- Central America: Guatemala, El Salvador, Honduras, Nicaragua, Costa Rica, Panama.
- The Caribbean: Cuba, the Dominican Republic, Puerto Rico.
- South America: Venezuela, Colombia, Ecuador, Peru, Bolivia, Paraguay, Chile, Uruguay.
- Africa: Equatorial Guinea.

As you learned in the first lesson, the United States has more Spanish speakers than Spain, in fact has more Spanish speakers than any other country except Mexico. Spanish is also widely spoken and the Philippines.

Nouns have a gender ← Text Callout

B. Nouns

All nouns in Spanish have a gender, meaning that they are either masculine or feminine. Most nouns are masculine, while most that end in -a are feminine. Beyond gender, nouns also have a number, meaning either singular or plural.

C. Definite Articles

While "the" is the only definite article in English, in Spanish there are four forms of the definite article: el (masculine singular), la (feminine singular), los (masculine plural), and las (feminine plural). Examples of definite articles used with nouns include el libro [the book]; la mesa [the table]; los cuadernos [the notebooks, or the workbooks]; las señoras [the women]. When the preposition de [of] is followed by the definite article el, de + el contracts to del. So, El cuaderno del curso is "The workbook of the course," or "The course's workbook."
