Live For Me Blurred Lines English Edition:

Live For Me Erin McCarthy, 2015-01-09 The solace she sought In and out of foster care her whole life Tiffany Ennis has never had space or privacy so housesitting a mansion on the coast of Maine with only the absentee rich owner's dog for company is pure bliss But her peace is shattered when the injured owner returns to his compound unexpectedly Tiffany finds him to be sexy and intriguing showing an interest in her that must be mocking given that everyone's always told her she's plain nothing special Becomes an affair she never expected Devin Gold known in the music industry as Gold Daddy is usually in New York City attending drop parties and having men and women alike throw themselves at him and Tiffany wishes he'd stayed there There's no reason for a top producer to hole up in Maine in the dead of winter and every time she turns around he's asking her prying questions She finds herself starting to enjoy their intellectual conversations and clever sparring matches and in a hot minute she's falling for him Even knowing that he's a decade older filthy rich and could only want her for his momentary amusement Yet even when he hosts beautiful and confident guests from the city he still seems to prefer her company and is protective when odd things start happening around the house threatening her safety But how far is Tiffany willing to go with a man who is still very much married estranged wife or not just to feel special And all the lines between past and present and right and wrong are blurred

Blurred Lines Isabel Jolie, 2020-01-01 Second chance accidental neighbors enemies to lovers friends with benefits stand alone contemporary romance Anna My ex moved into my building It shouldn't matter I live at the office and swore off dating His unexpected proximity changes nothing As the adult in the building I offer my friendship to put the past behind us But I forgot what a good friend he can be and there's plenty I never forgot The years somehow made him more handsome because of course they did Doesn't matter if he's in a suit or a t-shirt although I prefer him in tees and he lives in suits Clothing choices are just one sign that time has changed things Changed us The college years were a different era As a hot shot lawyer relationships aren't on his radar And for once we agree on something Dating is a bad idea Jackson I never forgot her But I wanted to Back then I thought because we hit it off in every way and I mean every way we'd have a future After we imploded I hoped to never see her again but thanks to a mutual friend no luck on that score Hello neighbor My easy to talk to and easy on the eyes neighbor And then I went and got a half cocked idea or one might call it a fully cocked idea With the right parameters we could have it all friends with benefits What happens when one of us wants to re-negotiate those parameters When the lines blur will the friendship survive
