

THE BROWN HORNET

I wonder if any of you can remember the Fat Albert TV show? It aired weekdays in the afternoons and one of the characters from the cartoon was a super hero called The Brown Hornet.

Well, that was back in the early eighties and I can only guess that this Mazda 908 was driving around in completely standard form back then. Fast forward some twenty plus years and the current owner, Mitch Kelly had decided that an unmodified car wasn't going to cut the mustard for him.

Strangely enough, Mitch wasn't really after a project at the time when this Mazda fell into his lap. "I was actually at a friend's house looking at buying some seats for my 4WD when I noticed the car under the tree" Mitch

explained. After a quick inspection of the car Mitch parted with a bundle of cash and he then had the car loaded up on a trailer headed back to his home town of Kalgoorlie. Not one to muck around, Mitch and his mates found a Mazda FD2 donor car and within four days the little Mazda 908 was reborn with a standard 1300 motor and 5 speed box.

It wasn't until Mitch arrived in Perth that the build took a dramatic re-direction. Whilst minding his own business a drunk driver decided to do some unwanted panel work to the pristine condition 908. A chase ensued, words were exchanged and the drunk driver sped off, leaving his mate on the kerb. In Mitch's words "What a muppet"

After this mishap, Mitch decided to throw caution to the wind and start a turbo conversion to replace the current standard rotary. With the motor out, Mitch sent the car to Clayton Leat who ran the MR FD2 workshop at the time. Clayton prepped the body ready for paint and the boys at McQuillan & Scullion took care of the spray job. Mitch decided to stick with the original paint colour which was a bold move, considering it was brown! But the results speak for themselves. The car has that definite old school cool appeal. Before the car
