Frostbite Werewolves 1 David Wellington:

Frostbite David Wellington,2009-10-06 For Cheyenne Clark there s a bad moon on the rise There s one sound a woman doesn t want to hear when she s lost and alone in the Arctic wilderness a howl When a strange wolf s teeth slash Cheyenne s ankle to the bone her old life ends and she becomes the very monster that has haunted her nightmares for years Worse the only one who can understand what Chey has become is the man or wolf who s doomed her to this fate He also wants to chop her head off with an axe Yet as the line between human and beast blurs so too does the distinction between hunter and hunted for Chey is more than just the victim she appears to be But once she s within killing range she may find that even for a werewolf it s not always easy to go for the jugular 32 *Fangs* David Wellington,2012-04-24 The Final Reckoning Laura Caxton s battles against the ancient vampire Justinia Malvern have cost her nearly everything her badge her freedom her friends and family maybe even her humanity And as she hides out in the deepest backwoods of Pennsylvania pursued by the cops who were once her colleagues Laura certainly looks beaten But as Laura sees it what little is left of her soul is perfectly adapted to the job of ridding the world of its last vampire And thanks to the terrible clarity she s found Laura s come up with a plan one that will finish Malvern once and for all But the ever wily Malvern has a few last aces left to play and is quietly dealing a hand that will involve a terrible fate for the few friends Laura s got left When the two adversaries meet for the last time in their most epic battle the vampires will force Laura to pay a price far beyond anything she s sacrificed before The Nature of the Beast Carys Crossen,2019-10-01 The werewolf is an increasingly popular subject of academic study and several monographs have been published in recent years Of these the closest in format and subject matter e g the contemporary werewolf in popular fiction are as follows Chantal Bourgault Du Coudray *The Curse of the Werewolf Fantasy Horror and the Beast Within* New York I B Tauris Co Ltd 2006 Brent A Stypczynski *The Modern Literary Werewolf A Critical Study of the Mutable Motif* Jefferson NC and London McFarland 2013 Kimberly McMahon Coleman and Rosalyn Weaver *Werewolves and Other Shapeshifters in Popular Culture* Jefferson NC McFarland 2012 The Publishers Weekly ,2009 **Frostbite** David Wellington,2012 **FROSTBITE (WEREWOLF)**.
