Maria - Frozen In Time Ed Harris,

Rhythmic Hues Taranum, 2014-06-04 In the moments of sordidness and tumultuous emotions poetry creates itself Thus poetry comes to you automatically when you give up all the barriers of the mind and feel absolutely free The string of words is woven post the submission of reason to emotions The various emotions of love hatred anguish play

upon the recesses of the subconscious mind like the strings of a guitar to create a music of words to create Rhythmic Hues Rhythmic Hues is meant to be felt not analysed The author crafts vivid images through the written word These images range across a broad spectrum including the spectacle of nature the poignancy of a rape victim a funny proposal a couple dancing in symphony among many others Thus each poem remains an area to be explored by the audience because the end of a poem would be the beginning of their thoughts The incorporated themes include philosophy tragedy love spirituality and erotica Beyond the vicissitudes of reason and follies of the mind lies the beauty of the word that pierces the heart and brings a metamorphosis in the soul Such an attempt is Rhythmic Hues

***Ballads of Loss and Woe* Scott Morgan, 2023-12-08**

Every ascent is met with a descent After reaching the pinnacle basking in achievements and joy an unforeseen force can bring it all crashing down Life s unpredictable blows can dismantle our realities leaving behind a trail of questions and broken dreams As the facade of life dissipates pillars once deemed steadfast vanish and we re left grappling with the remnants The author revisits the starting point navigating a world shaped by revelations torn between passion and profound pain In his signature surreal narrative style he paints a vivid picture of his transformed reality a tumultuous terrain of emotion This collection delves deep into themes of grief betrayal and existential sorrow When life thrusts you into an unfamiliar realm do you question if it s all just a grand illusion From melancholic poems and heart wrenching tales to soulful songs this is a journey through the darkest corridors of a wounded heart These are the words from the depths of despair a testament to the fragile human spirit
