

To Our Niece
Kathryn

Congratulations on your special day,
It's time to celebrate!
The late nights and essays are all done,
Today you graduate!

We want to say how proud we are,
For all you have achieved,
And as you move to pastures new,
We know you'll be relieved,

That the hard work was all worth it,
It's helped to pave the way,
For a wonderful new adventure,
That starts for you today!

Knowledge Is Lonely Lonnie Hammons, 2011-05-24 When Christopher Columbus returned to Spain after his discovery of the New World in 1492 he was welcomed as a hero The reception given to him by Ferdinand and Isabella was everything that he could have hoped for and news of the new lands to the west spread quickly throughout Europe In its essence Knowledge is Lonely is like that discovery so many years ago It is an eclectic collage of short stories and each one stands on their own However like individual instruments in an orchestra each story compliments the others The end result is a symphony of melt in your mouth music that when translated into words peels back the veil of many mysteries and makes them plain To the reader I will not divulge which story does this I do not want to deny the pleasure that can be found in the pursuit of knowledge but I will assure you that it is here Lonnie Hammons

Mary Ellen Goodenberger, 2002-04-24 The volume purports to be a book of writing examples Even more important it is a book about love man and wife parent and child sibling and sibling grandparent and grandchild family member and family member friend and friend teacher and student citizen and state Both the writing and the relationships are worthy of your investigation Dorothea Bleek

Jill Weintroub, 2016-03-01 Dorothea Bleek 1873 1948 devoted her life to completing the bushman researches that her father and aunt had begun in the closing decades of the nineteenth century This research was partly a labour of familial loyalty to Wilhelm the acclaimed linguist and language scholar of nineteenth century Germany and later of the Cape Colony and to Lucy Lloyd a self taught linguist and scholar of bushman languages and folklore but it was also an expression of Dorothea's commitment to a particular kind of scholarship and an intellectual milieu that saw her spending her entire adult life in the study of the people she called bushmen How has history treated Dorothea Bleek Has she been recognised as a scholar in her own right or as someone who merely followed in the footsteps of her famous father and aunt Was she an adventurer a woman who travelled across southern Africa driven by intellectual curiosity to learn all she could about the bushmen Or was she conservative a researcher who belittled the people she studied and dismissed them as lazy and improvident These are some of the questions with which Jill Weintroub starts her thoughtful biography of Dorothea Bleek The book examines Dorothea Bleek's life story and family legacy her rock art research and her fieldwork in southern

Africa and in light of these evaluates her scholarship and contribution to the history of ideas in South Africa The compelling and surprising narrative reveals an intellectual inheritance intertwined with the story of a woman s life and argues that Dorothea s life work her study of the bushmen was also a sometimes surprising emotional quest **Congressional Record** United States.
