Introduction

This service manual describes the service procedures for all technical features of the VFR400. This Model Specific Manual includes some service procedures that is of a specific nature to this particular model. Basic service procedures that are common to other Honda Motorcycles/Motor Scooters/ATVs are covered in the Common Service Manual. This Model Specific Service Manual should be used together with the Common Service Manual in order to provide complete service information on all aspects of the motorcycle.

Performing the first scheduled maintenance is very important. It compensates for the initial wear that occurs during the break-in period.

Section 1 and 2 apply to the whole motorcycle. Section 3 contains procedures for removal/installation of sub-assemblies that may be required to perform repairs. It applies to the following sections. Always consult it through 10 drawings parts of the motorcycle, grouped according to location.

Find the section you want in this page, then look to the table of contents on the first page of the section.

Most sections describe the service procedure through system illustrations. Refer to the next page for details on how to use this manual.

If you are not familiar with this motorcycle, read Technical Features in section 20. If you don't know the name of the trouble go to section 21 Troubleshooting.
